

NORTH YUNDERUP COMMUNITY ASSOCIATION NEWSLETTER

April 2025

Time flies

April already! We're sure everyone is enjoying a break from the baking hot Summer days and a reprieve (of sorts) from the mozzies. We've got lots coming up in the next couple of months in our beautiful little community, so make sure to mark your calendars and join in where you can.

The Committee offers their enormous thanks to those who joined us for Clean Up Australia Day on March 2nd. Keeping our little bit of paradise looking amazing benefits everyone.

We welcome Patrick Brown as the new Vice President of the NYCA. Patrick gives his time generously in many ways to our community – thank you Patrick.

Get your running shoes on for the Easter Egg Park Dash

The **North Yunderup Community Association** has it on good authority that the Easter Bilby will be visiting **Kingfisher Park** to hide oodles of Easter treats.

We invite the young and the young at heart to come along and join the great Easter Egg hunt.

Where: Kingfisher Park
(meet at the footy posts)

When: Sunday, April 13 at 10.30am

Win an Easter hamper!

Everyone should have received their invitation in their postbox to our inaugural Easter Egg Dash. On the back is a colouring in. Bring it along on the day to go into the draw to win an Easter Hamper. Spare copies are in the Book nook if you missed out (or coloured outside the lines.)

Thanks ...

to Amanda Atherton from Murray Forrest Friends for generously donating the playdough kit in the Easter Hamper. Take a look at Amanda's amazing work in

returning children to nature, one play session at a time.

Local Goss

We've all watched with excitement the leasing of the shop on North Yunderup Drive and here's the inside scoop.

MOSTYN & FRANKIE

You may have seen Lorette and Frankie out and about with their beautiful greyhound rescues. They assure me that being able to walk to and from work is pretty awesome!

Mostyn & Frankie create enchanting, bespoke giftboxes that tick all the boxes. Their products are sourced from Australian artisans and artists, they're natural and sustainable, and every gift box is a unique and delightful experience.

A cafe will be opening onsite, and we hope everyone supports these wonderful and hard-working locals.

Community Recycling

In our community, we have the opportunity to work together for the benefit of everyone. Here are some local recycling resources...

10 cent can/bottle collection

A collection bin for cans and bottles is located at the boat ramp. The proceeds are used by the NY Community Association to put on events.

Blister packs and bottle tops

Collection bins are located at the Booknook on the corner of Culeenup Rd and River Glen Drive. Peta Nutt donates her time to sort these resources and then they go to Boddington RRR.

Booknook

Books, puzzles and magazines all find their way to new homes from the Booknook. Come along and take a book home or leave your last awesome read there for someone else to enjoy.

Support local

Peel Open Studios

Our very own local artist extraordinaire, Cass, will be opening her studio at 51 Culeenup Rd on Saturday and Sunday

3&4 and 10&11 May from 10am-4pm.
