

NORTH YUNDERUP COMMUNITY ASSOCIATION NEWSLETTER

www.northyunderup.org

October 26

committee@northyunderup.org

Spring is in the air with lots of little duck families to be seen and the first baby maggies out the nest. Remember to slow down. We're also into school holiday time so it means more young ones out on various wheels often making daft decisions. It's easy to get frustrated with some of the antics. However, they're learning and we reckon we're pretty unique in having groups of young people out and enjoying the great outdoors like we used to before screens took over. Stick to the speed limit, keep an eye out, and be patient.

It's been a busy quarter for the North Yunderup Community Association. The Growers Group and the Habitat Group have been full steam ahead. Read on to find out details about the upcoming Spring Sale of herbs, vegies and flowers and the availability of nesting boxes to give our furry and feathered friends a home. The Boot Scooting afternoon was a huge success. Thank you to all those who came along and fearlessly trotted out their dance moves and then stayed for a bit of soup and a chat.

The Shire of Murray Councillors hosted their September meeting at the NY Community Hall, giving the NYCA the opportunity to present our needs and concerns. The meeting was positive and community concerns about a lack of initiatives being funded in North Yunderup was tabled.

Included in this newsletter is a poster reminder that might be handy to pop on your fridge. There are a range of new items that can be recycled in the bins down at the boat ramp. Please help us to keep providing the community with amazing events by supporting us with your recyclable items. Also, there's a Directory of Services that's in its early stages. We'd love to keep growing this list of local trades, services and businesses to support. If you would like to be included, email committee@northyunderup.org. Our ongoing thanks to Mr David Bolt MLA for printing the newsletter.

North Yundy things....

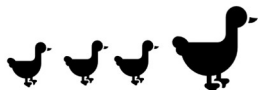

Mozzie Repellent Stations

Thanks to the Department of Health, we have two new insect repellent stations in North Yunderup. You'll find one at the entrance to Kingfisher Park on Culeenup Rd and the other along the Culeenup East River Reserve. There's nothing worse than stepping out and forgetting the mozzie spray and swatting your way along your walk. The stations have been mounted in high traffic and high visibility areas. Please educate your children on how much and how to apply repellent. Let the NYCA know when the repellent is running low by emailing committee@northyunderup.org.

Watering Pods

Watering pods are now in the lakes area, behind the Community Hall and between the bridge and bird hide along Wilgie Creek. These are monitored and filled weekly by members of the NY Habitat Group. Please report any issues or damage by emailing committee@northyunderup.org

Habitat Group Nest-boxes for sale

The NY Habitat Group have nest-boxes for teeny, middle-sized and big birds as well as homes for possums available for sale. Nest-boxes are made by the NY Habitat Group, and all proceeds go towards making boxes that are installed in our park, along the river and the creek. Order your box today

<https://www.northyunderup.org/index.php/community-hub/habitat-group/>

Lotterywest Grant

The North Yunderup Community Association has been run by volunteers for nearly 4 decades. We are very unique in having an active Community Association in North Yunderup, and we thought it was time to fly the flag – well, the teardrop flags, sandwich boards, hall sign, branded marquee, freshened up chalkboard and pull-up banners. We hope you enjoy the new materials you'll see around the streets. These materials were funded by a generous grant from Lotterywest and brought to life by Signarama Mandurah.

What's coming up?

NY Growers Group Spring Sale

When: Saturday, 17 October 9-12noon
Where: NY Community Hall

Looking to get colour into your garden or a bit of crunch on your plate? Well, we've got the plant sale for you! Get a whole bunch of bang for your buck (cash or card) and come along to give your garden a little tickle into Spring.

Lots of choice:

Fruit/Veg: Lettuce, tomatoes, bok choy, pak, choy, spinach, beans, peas, pepino, zucchini, cucumber

Herbs: Perennial basil & sweet basil, wormwood, coriander, white, pink & blue rosemary, oregano, thyme, dill, mint

Flowers: violas, calendula, marigolds, dwarf sunflowers, orchids, borage, elderflower, geraniums

Bird & possum nest-boxes available to purchase.

NYCA General Meeting

When: Monday, 16 November @ 6pm
Where: NY Community Hall

Everyone is welcome to attend. This meeting we're going to focus on:

IMPROVEMENTS TO THE BOAT RAMP AREA

A number of residents have contacted the Shire regarding the ongoing issues with parking and launching and removing boats from the water. We will endeavour to have a representative from the Shire present and our local member. Regardless, all feedback will be compiled and sent to the Shire for urgent attention.

What other initiatives would you like prioritised? Do you have feedback on events and/or suggestions for others? Planning for 2027 is underway, and we'd like your input.

The kettle will be on, and we'll fill you up with snacks so no need to plan dinner. We'd love to have your company and your thoughts for our community.

Spring Swap Don't Shop & Kite Making Family Event

When: Saturday, 14 November 9-12noon
Where: Kingfisher Rd, Kingfisher Park

Are you ready to bring out your proverbial dead? This is the event we've all been waiting for to kickstart Spring cleaning and to offer up treasures for other families to make use of.

There's plenty of fun to be had for old and young alike, rummaging through clothes, shoes, toys, household items and more.

While you're about, join in with all the fun of kite making. Let's fill Kingfisher Park with beautifully decorated kites.

Here's the timetable...

8-9am – bring your items to Kingfisher Park for inclusion (remember, there is no money involved).

9am-11.30am – come along and find some treasures to take home and give a second life to.

10am – family kite-making event. For a \$5 donation, join in the fun of making and flying a kite.

8-11.30am – Sausage Sizzle – the breakfast/morning tea/early lunch of champions! Enjoy a snag in a bun, with or without onions for \$3.

We encourage you to contribute clean, folded items of clothing, shoes, toys, puzzles and small items of furniture that are in good enough condition to be used by another family. Any items remaining will be taken to an Op Shop.

NYCA Dog's Breakfast

When: Sunday 29 November 4pm
Where: Culeenup Rd East, River Reserve

Wherever you walk your dogs in NY you're part of a community who enjoy the great outdoors with their furry friends. Bring your mutt or just yourself, something to drink and a plate to share (human food) and join in the fun. Party bags to be had for all our furry friends.

NYCA 2027 – Save the Date

Community Fun Day

Fun for the whole family!
Saturday 20th March 2027, 2-6pm

NYCA AGM

Help us plan another great year in 2027 and renew your membership. Monday 15th February 6pm

Recycling in North Yunderup...

*I used to work at a recycling plant, and my job was to crush cans.
It was soda pressing.*

What to recycle and where can feel overwhelming, especially with the new guidelines. We've made it easy for you to recycle all sorts of cartons, bottles, cans and plastic in North Yunderup.

Pop this handy guide up on your fridge so you know what and where to recycle.

Wine & Spirit Bottles

Wine & spirits in plastic & glass bottles (no casks).

New ★

No casks
accepted

Juice & Cordial Bottles

All fruit & vegetable juice, & cordial containers.

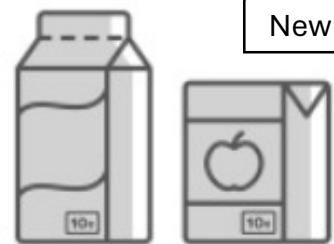

New ★

Drink Cartons

Flavoured milk cartons, juice cartons, juice boxes, & water cartons.

New ★

Where: Boat Ramp

Plastic Bottles

Water, soft drinks, juice, flavoured milk, sports drinks, & wine in plastic containers.

Glass Bottles

Water, beer, pre-mixed spirits, & soft drinks.

Drink Cans

Soft drinks, carbonated beverages, energy drinks, beers, & pre-mixed spirits.

Blister Packs

Bottle Tops & Lids

Where: Book Nook (cnr Culeenup Rd & River Glen Dr)

*Every cent counts! Recyclable materials are sorted and transported by committee members of the NYCA.
All proceeds go towards annual community events and facility upgrades that benefit every family.*
